Type of business or sector	Union of interest.
<b>Dates</b>	August 1991– March 2011
Occupation or position held	Part time connection to PE Programming PC.

Main activities and responsibilities	The company was owned by my husband and had a long-term experience in the consultancy, sales and support. We were selling PC's, building them from scratch and installed software and hardware. It was also including support and troubleshooting regarding viruses, windows in general and internet connection. We were also developing software for communication to hardware, office utilities and intra- /internet applications. We were MS partners and had access to all the Microsoft software (windows, office and database products). Prior to this we were registered by Scribona as dealer and therefore also had the chance to buy different applications in demo versions at a very low price. I have participated in all activities the major programming/software development. MS Office, MS-SQL Server and T-SQL, Visual Studio 2005 and 2008,
Name and address of employer	PE Programming PC.
Type of business or sector	Consulting and development.
<b>Dates</b>	January 2013 – April 2011

Main activities and responsibilities	Installing new images on PC's and installing applications, software and hardware if anything was needed. Supporting end users, solving their problems. Setting up printer drivers and so on. MS Office, Excel, MS-SQL.
Name and address of employer	Akzo Nobels Salt, Hadsundvej 17, 9550 Mariager, Denmark
Type of business or sector	Industry.
<b>Dates</b>	June 2010 – December 2010
Occupation or position held	Lotus Notes developer
Main activities and responsibilities	Developing from scratch in Lotus Notes (learning by doing). Developing tasks for customers in Domino Designer v. 8.51 targeted to v. 6.5. Lotus Notes, MS Office, SQL.
Name and address of employer	TinX/dk A/S, Rømersvej 4, 7430 Ikast, Denmark
Type of business or sector	Industry
<b>Dates</b>	November 2008 – May 2009
Occupation or position held	Project coordinator.
Main activities and responsibilities	Responsible for coordinating the change of 3000 pc in the organization. Planning the change of computers regarding, department and type of PC (5 different types) for the team to be most effective each day. Using Excel to write the planned list. Using Lotus Notes to extract the list of employees. Prior to the planning part, I wrote to each person asking wish type of PC they needed, suggesting a type based on the PC that were to be replaced. On behalf of the answer from each person in the department (using v-lookup to extract answers) I wrote to the Leader to have a confirmation on the needs in the apartment. In a period, we were short of some of the types of PC's and I then had to plan based on this instead. MS Office, MS-SQL Server and T-SQL, MySQL, Excel, Lotus Notes.
Name and address of employer	Grundfos Management A/S, Poul Due Jensens Vej 7, 8850 Bjerringbro, Denmark
Type of business or sector	Industry
<b>Dates</b>	June 2008 – November 2008
Occupation or position held	IT-consultant.
Main activities and responsibilities	I made the manuscript that the Phoniers used when they called possible customers. Information on possible customers came from the customer in for instants raw text we then have to import the data to Access, and they were passed on to Oracle. Might need to edit the text to fulfill the import. Details on the manuscript came to us from the sail department. In the manuscript the Phonier could make some choices (programmed by us). Based on these choices we were able to deliver the result back to the customer. Using Edge, a specialized 4G development tool, which used Oracle as kernel. There was a lot of SQL coding using TOAD, MS SQL-Server,
Name and address of employer	McPhone Telemarketing A/S, Lysbrohøjen 24, 8600 Silkeborg, Denmark
Type of business or sector	Telemarketing
<b>Dates</b>	February 2008 – June 2008

Used MySQL, MS SQL, JAVA in Net.BBeans and BlueJ and have seen and used AXAPTA. Selected C# and .NET on the fourth term, used Visual Studio 2005 and got an 8 to the extermination.

Final project was development of an administrative tool for a driver instructor, developed C# windows application on top of a MS SQL database. The application have been used afterwards.

## Personal skills and competences

Mother tongue(s) | Danish

Other language(s)

Self-assessment

European level (\*)

**Language**

**Language**

Understanding				Speaking				Writing	
Listening		Reading		Spoken interaction		Spoken production			
B1	English	C1	English	B2	English	B2	English	B2	English
C1	German	C1	German	B2	German	B2	German	B2	German

(\*) [Common European Framework of Reference for Languages](#)

Social skills and competences | As a freelancer I am used to join new projects and meet new people. In the anonymous government project, I worked with people from different countries.

Organisational skills and competences | In associations I have been in several borders

Computer skills and competences	Working with both support and programming, you often get to use the Office products. I have used both Microsoft and Open Office. Programming also forces you to get to know databases. I am used to be forced into the use of unknown products luckily so far with success.
Artistic skills and competences	Painting porcelain and baking pretty cakes as a hobby. Sewing on my embroidery machine and making things as can be used in our house is also something as I love.
Other skills and competences	I use to work hard and as a person I am very mush concentrated on quality
Driving licence	A and B
<b>Additional information</b>	Contact person: Michael Kolmos, Project Manager, Danfoss Danmark DK-6430 Nordborg. Jan Skræp Thomasen, Program Manager, Grundfos Management A/S, DK-8850 Bjerringbro.
